## CURES RHEUMATISM

This is just a short talk on Rheumatism, pointing out its causes and some of the reasons why so many fail to find a cure for this painful, and often far-reaching trouble.

No other disease is more persistent and discouraging than Rheumatism. Those persons in whose blood this painful ailment has taken root, often grow disheartened, and sometimes conclude there is no permanent cure. Patiently they have blistered and rubbed their aching joints and muscles with liniments, oils, etc., and faithfully taken potash and other mineral salts, only to find when the treatment is left off the disease returns, and usually with increased severity.

Rheumatism is due to an excess of uric acid, an irritating, inflammatory accumulation, which gets into the circulation because of weak kidneys, constipation, indigestion, and other physical irregularities which are usually regarded as of no importance.

Nothing applied externally can ever reach this trouble, while potash and like mineral medicines really add to the acidity of the blood, and this vital fluid, therefore, continually grows more acid, sour and weak.

Rheumatism can never be cured until the blood is purified and built up. S. S. S. thoroughly cleanses and revivates the circulation by neutralizing the acids and expelling the foreign matter from the system. It strengthens and invigorates the blood so that instead of a weak, sour stream, constantly depositing acid and corrosive matter in the muscles, joints and bones, the entire body is nourished by rich, healthful blood, which completely and permanently cures Rheumatism. S. S. S. contains no potash, alkali, or any other harmful mineral, but is made entirely of blood-purifying and healing roots, herbs and barks which, enrich and freshen the circulation while curing Rheumatism. Book on Rheumatism and any medical advice furnished free to all who write. THE SWIFT SPECIFIC CO., ATLANTA, GA.

**A GREAT SUFFERER FROM MUSCULAR RHEUMATISM.**  
Hopkinton, Ky.  
Gentlemen: It is with pleasure I write to tell you of the wonderful cure I received from S. S. S. For over two years I suffered excruciating pains in the shoulders, caused by muscular Rheumatism. I tried using liniments, oils, etc., but the pains continued to increase. Finally I decided to try S. S. S., and after using several bottles I feel that my blood was entirely purified. Your medicine soothed my aching joints, and I have been free from the Rheumatism. I was confined to an invalid chair for eight months at one time, but I have been free from pain since S. S. S. cured me. S. H. BORDING.

**COULD NOT WALK FOR MONTHS.**  
Victoria, Texas.  
In 1900 I had a severe attack of Rheumatism and my entire system was out of order. For months I was not able to walk. I tried other remedies without benefit, and then commenced to take S. S. S. I took it for a while and saw that it was benefiting me and continued to use it until I was able to get about. I was confined to an invalid chair for eight months at one time, but I have been free from pain since S. S. S. cured me. S. H. BORDING.

**REPEATED FAILURES, THEN RELIEF.**  
Mr. Wm. L. Hill, of Winston, N. C., at one time traveling salesman, and well known in North and South Carolina and Virginia, says: "Two years ago my blood was in a wretched condition, and in addition to other bodily ailments I suffered severely from Rheumatism. After repeated failures to secure relief from the use of other remedies I began S. S. S., and it acted like a charm. The Rheumatism pains left and my general health was built up as well. I have the highest opinion of S. S. S., for it is the only medicine that did me any good."

**RHEUMATISM ALL GONE.**  
Mrs. Ida M. Palmer, of 195 Fulton St., Brooklyn, N. Y., writes as follows: "I wish you to know what great relief I have received from S. S. S. I have been afflicted with Rheumatism for twenty years, sometimes being entirely unable to get about. I tried many remedies, but nothing seemed to do me any good. I was confined to an invalid chair for eight months at one time, but I have been free from pain since S. S. S. cured me. S. H. BORDING.

**LARGEST OFFICE BUILDING IN CHICAGO TO BE BUILT**  
Chicago, Jan. 30.—An eastern syndicate of which Henry C. Frick, the Pittsburgh steel man, is said to be the head, is negotiating for grounds here on which it is planned to erect what will be the largest office building west of New York.  
The property said to be involved is the Chamber of Commerce site and some adjoining land. This is said to be the \$4,000,000 deal, report concerning which has been floating about for three or four weeks.  
Another skyscraper is also said to be in contemplation. The Leander McCormick estate has practically decided to build on the site of the Victoria hotel.

## Getting in the First Punch Wins Fight

New York, Jan. 28.—Getting the jump on a man in a fight is like beating the barrier in a race. Leach Cross got the jump on Otto in the first round when he hooked him on the mouth with that snappy left. Otto lost half his cleverness after that punch.

Packey McFarland got the jump on Cross when they fought, and Leach thought him a terror. He did not get together until four rounds were over. Young Corbett dropped Terry McGovern with the first punch in their fight at Frisco. Terry was no terror after that day—he was too careful. When Jim Corbett and Jeffries fought in Frisco, Jeff bloodied Corbett's nose with the first punch.

Little Joe Walcott, fighting big George Gardner, dropped him with a punch that he had to jump up two feet to land. Gardner's goat never came back. Walcott won all the way.

Getting the jump on your man is, in some fights, half winning the go. Jim Corbett says that the man who lands the first good punch in a street fight invariably wins. They do in the ring, too.

In the Cross-Otto fight the boy who got in the first healthy wallop was almost sure to win. Both are terrific hitters, but Cross beat him to it. Cross beat him to it. Cross right now is better than he ever was in his life. He needed a rest and took it.

What do you suppose he'd do to Tommy Murphy now? Do you think they can get Murphy to fight Cross again? What?  
Billy Gibson of the Fairmount club is going to match the winner of the Driscoll-Merto go with Cross. He was thinking of getting McFarland, but the latter is not the card he was here before he boxed Murphy. The latter can't punch a bit, but he stung McFarland at Philadelphia and the latter slowed up like a horse car after going at express train speed.

Packey and Cross would be a good card, but the Chicago scrapper only wants the world for his end. Right here in New York there are enough good boys to try Cross.

**ANSON DOWN BUT WILL RISE AGAIN**  
(By Tim Murnane)  
Boston, Jan. 30.—The innocent child grieves but momentarily over a broken toy. Man grieves over a lost friend. The lover of baseball grieves over the downfall of a great player, and all bow their heads over a shattered idol.

A few days ago the wires sent out the news from a clubhouse in Chicago, "Old Anse" is broke." The old Roman of the ball field was cornered by a howling band of creditors and acknowledged manfully, "I am busted."

A. C. Anson was the idol of the ball field for twenty years or more. The schoolboy might be at a loss to name the president of the United States, but never failed to name Anson as the great ball player. Upright in his dealing with men, a conscientious worker for those who employed him, and in a position to get everything the game could afford in the way of salary and glory.

**SANTA ANITA RESULTS.**  
Los Angeles, Cal., Jan. 30.—Jack Atkin, carrying the crushing weight of 138 pounds, proved himself the champion sprinter of America, when he won the Alhambra handicap at six furlongs at Santa Anita park today, in a terrific drive by half a length, from Dominus Arvi. The six furlongs was run in the remarkable fast time of 1:11 3-5.

One of the features of the race was the appearance of the great sprinter Roseben. The old horse looked bad and did not have the speed which he had shown in the east and finished in the rack.

Vox Populi won the Alamitos handicap. Results:  
First race, five and a half furlongs, purse—Colonel Bob, 113 (Muscgrave) 7 to 2, won; C. W. Burt, 119 (J. Howard) 7 to 2, second; Cook, 101 (McGee) 7 to 1, third. Time, 1:06.

Second race, three and a half furlongs, purse—Old Mexico, 103 (Gilbert) 7 to 1, won; Rezon, 115 (Butler) 7 to 1, second; Miss Roberts, 108 (Mentry) 6 to 1, third. Time, 1:17 3-5.

Third race, six furlongs, selling—Deutschland, 112 (eKosh) 3 to 2, won; Trols Temp, 100 (Scoville), 6 to 1, second; Dalney Belle, 100 (Taplin), 13 to 1, third. Time, 1:17 2-5.

Fourth race, mile and quarter, purse—Handicap, gross value \$13,740, value to winner, \$10,590—King James 124 (Dugan), 11 to 2, won; Dorante, 114 (Lee), 9 to 2, second; Milford, 85 (Walsh), 9 to 1, third. Time, 2:11 3-5.

Fifth race, mile and a sixteenth, selling—Nebulosis, 107 (Butler), 4 to 1, won; Jacomo, 108 (Ross), 8 to 1, second; Chilla, 94 (E. Martin) 20 to 1, second; Turnaway, 108 (J. Howard) 7 to 1, third. Time, 1:07.

**EMERYVILLE RESULTS**  
Oakland, Jan. 30.—After practically leading all the way, King James, one of the stars in the stable of Sam Hildreth, gained a head victory over Dorante in the Burns handicap at Emeryville today. Milford, one of the light weights, was third. The classic of the west was run in the presence of about 12,000 people and over a very muddy track, a heavy rain having fallen during the early morning hours. Fine weather prevailed for the sport during the afternoon and the big crowd saw one of the best finishes in the history of the Burns handicap.

Colonel Jack was withdrawn, leaving a field of twelve to go to the post, with Firestone and Big Chief of the Thomas H. Williams stable ruling favorites. Dorante was next in demand with King James sent up from Santa Anita two days ago, receding in the betting.

They were sent away to a good start and Dugan almost went to the front with King James. Arasee for an instant took the lead but King James passed him and after that was never headed. In the last quarter Dorante challenged King James and the fight was a close third. Firestone was outrun and Big Chief was not at home with his mount in the stretch, but the judges did not think there was any interference. The race was worth \$13,704, of which \$10,590 went to the winner. Results:  
First race, six furlongs, selling—Spohn, 104 (Butwell), 13 to 2, won; Argonaut, 97 (Upston), 8 to 5, second; Dollie, 105 (Taplin), 8 to 1, third. Time, 1:17 3-5.

Second race, three and a half furlongs, purse—Old Mexico, 103 (Gilbert) 7 to 1, won; Rezon, 115 (Butler) 7 to 1, second; Miss Roberts, 108 (Mentry) 6 to 1, third. Time, 1:17 3-5.

Third race, six furlongs, selling—Deutschland, 112 (eKosh) 3 to 2, won; Trols Temp, 100 (Scoville), 6 to 1, second; Dalney Belle, 100 (Taplin), 13 to 1, third. Time, 1:17 2-5.

Fourth race, mile and quarter, purse—Handicap, gross value \$13,740, value to winner, \$10,590—King James 124 (Dugan), 11 to 2, won; Dorante, 114 (Lee), 9 to 2, second; Milford, 85 (Walsh), 9 to 1, third. Time, 2:11 3-5.

Fifth race, mile and a sixteenth, selling—Nebulosis, 107 (Butler), 4 to 1, won; Jacomo, 108 (Ross), 8 to 1, second; Chilla, 94 (E. Martin) 20 to 1, second; Turnaway, 108 (J. Howard) 7 to 1, third. Time, 1:07.

**OGDEN TURF EXCHANGE**

## LOS ANGELES MAN PLACED UNDER ARREST

FORMER COUNTY CLERK IS CHARGED WITH FRAUD.

Admits Shortage in Accounts Occasioned by Him Giving Security For Political Friends.

Los Angeles, Cal., Jan. 30.—William W. Wallace, formerly county clerk of Wallace county at McMinnville, Tenn., was arrested yesterday at Desert View camp, 18 miles from Mojave, on charges of embezzlement and breach of trust in the handling of public funds. The specific allegation against Wallace is that, during his term of office as clerk of the county court, he appropriated to his own use \$4,000 received by him as license fees.

Wallace admitted to the arresting officer that he was short in his accounts, claiming that it was occasioned by his going security on notes for political friends, but that a not a dollar was ever used by himself. He said

he would return to Tennessee without extradition and expressed his confidence that the matter would be amicably arranged on his arrival there.

**MRS. PETER C. JENSEN SUCCUMBS**  
Brigham, City, Boxelder Co., Jan. 29.—The story has been kept very busy the last week, leaving twin baby boys at the home of Mr. and Mrs. Cyrus Hansen; another bright little fellow was left with Mr. and Mrs. Martin L. Reeder, while baby girls have been left with Mr. and Mrs. A. Simonsen and Mr. and Mrs. Levi S. Anderson.

A tiny little babe was born to a lady on the southbound U. S. L. express last Friday morning, just as the train was coming through the Bear river canyon. The little tot nearly frightened the life out of the conductor, luckily, however, the lady's husband found a doctor on the train who gave the necessary assistance and made all concerned happy.

Peter C. Jensen, died at her home in the first ward, Tuesday evening after a few days' illness, being a sufferer from a weak heart and Bright's disease. The funeral was held in the ward hall at 11 o'clock today.

Mrs. Jensen was born in Brigham City, Jan. 19, 1862, shortly after her parents moved to Mantau, where she has spent most of her life until recently when her husband purchased a home.
